

SkillsCommons User Guide - Embargo Process

What is an embargo? An embargo is a temporary access restriction placed on files attached to submissions.

This document was created to assist you in setting up embargo dates for your files. By setting an embargo date you can restrict the access to files you have uploaded that are attached to your submissions.

1. Type <http://skillscommons.org/> into your browser address bar.
2. Click "CONTRIBUTE" located in the top menu.

3. Sign in to the SkillsCommons Repository using your e-mail address and password..

Click on the item you would like to add the embargo date to. In this case we will set an embargo date for the file "chapter1quiz.txt"

8. Set your embargo date following the instructions below. Be sure to click “Save” to make sure your changes are in place.

Edit Bitstream

File:
[chapter1quiz.bt](#)

Filename:
Change the filename for this bitstream. Note that this will change the display bitstream URL, but old links will still resolve as long as the sequence ID does not change.

Primary bitstream:

Description:
Optionally, provide a brief description of the file, for example "Main article", or "Experiment data readings".

Embargo until specific date:
The first day from which access is allowed. Accepted format: yyyy, yyyy-mm, yyyy-mm-dd

Embargo reason:
The reason for the embargo, typically for internal use only. Optional.

Select the format of the file from the list below, for example "Adobe PDF" or "Microsoft Word". OR if the format is not in the list, please describe it in the box below.

Selected Format:

If the format is not in the above list, select "format not in list" above and describe it in the field below.

Other Format:
The application you used to create the file, and the version number (for example, "ACMESoft SuperApp version 1.5").

Click in the “Embargo until specific date” field and a calendar will pop up. Select the date that you wish to use.

Enter your embargo reason.

Click “Save”

9. Your item has now been embargoed.
